

# BIG LESSONS IN GENESIS 1-3

Virgil Warren, PhD

- I. The God-universe distinction
- II. The people-animal distinction
- III. The man-woman distinction
- IV. The origin of the cosmos (*vs.* eternal matter)
- V. The good-evil distinction
- VI. The goodness of the material universe
- VII. People as responsible beings
- VIII. The origin of evil: If all that is not God has been created, then evil can begin outside of God in secondary agencies.
- IX. The origin of suffering
- X. Purposefulness
